TruckPro, LLC Acquires Terminal Air Brake Supply

TruckPro Continues to Expand its Heavy Duty Truck & Trailer Parts Retail Operations with the latest acquisition of Terminal Air Brake Supply

MEMPHIS, Tenn., December 13, 2018 – TruckPro, LLC (“TruckPro”), one of the nation’s largest independent distributors of heavy-duty truck and trailer parts headquartered in Memphis, Tennessee, announced today it has acquired the assets of Terminal Air Brake Supply. Located in Fresno California and family-owned and operated for three generations, Terminal Air Brake Supply has proudly served the San Joaquin Valley for over 70 years. Terminal Air Brake Supply specializes in the aftermarket distribution of light, medium, and heavy duty truck and trailer parts, as well as extensive repair and installation services.

“Terminal Air Brake Supply is a very successful aftermarket parts and service provider and owner Larry Paris built an organization with a reputation for aftermarket expertise and exceptional customer service,” said Chuck Broadus, TruckPro’s Chief Executive Officer. “This is a valuable addition to our company that allows us to enhance geographic coverage and expand our offerings for our customers throughout this key market, and we are excited to welcome our new associates to the TruckPro family.”

“We are very excited to join TruckPro and know the combination is a great fit for our customers who will benefit from TruckPro’s broader product offerings as well as its enhanced national distribution network,” said Larry Paris, owner of Terminal Air Brake Supply. “We look forward to our partnership and are very optimistic about our future together.”
